## HISTORY OF INDIA AND THE WORLD

### GOVERNOR-GENERALS OF INDIA (1833–58)

**Lord W. Bentick (1833–35):** First Governor-General of India. Macaulay's minutes on education were accepted declaring that English should be the official language of India; Abolished provincial courts of appeal and circuit set up by Cornwallis, appointment of Commissioners of revenue and circuit.

- **Wars:** Annexed Coorg (1834), Central Cachar (1834) on the plea of misgovernment.

**Sir Charles Metcalfe (1835–1836):** Passed the famous Press Law, which liberated the press in India (called Liberator the Press).

**Lord Auckland (1836–42):** 1st Anglo-Afghan War (1836–42)—great blow to the prestige of the British in India.

**Lord Ellenborough (1842–44):** Brought an end to the Afghan War. Annexation of Sindh (1843); War with Gwalior (1843).

**Lord Hardings I (1844–48):** 1st Anglo-Sikh war (1845–46) and the Treaty of Lahore 1846 (marked the end of Sikh sovereignty in India); Gave preference to English education in employment.

**Lord Dalhousie (1848–56):** Abolished Titles and Pensions, Widow Remarriage Act (1856). Made Shimla the summer capital.

- **Administrative Reforms:** Introduced the system of Centralized control in the newly acquired territories known as Bon-Regulation system; Raised Gurkha regiments.

- **Education Reforms:** Recommended the Thomsonian system of Vernacular education for whole of the North western Provinces (1853); Wood's Educational Despatch of 1854 and opening of Anglo-Vernacular Schools and Government Colleges; An Engineering College was established at Roorkee.
- **Public Works:** Started the **first railway line in 1853** (connecting Bombay with Thana); Started electric telegraph service. Laid the basis of the **modern postal system** (1854); A separate public works department was set up for the first time; Started work on the Grand Trunk Road and developed the harbours of Karachi, Bombay and Calcutta.
- **Wars:** Introduced Doctrine of Lapse (Captured Satara (1848), Jaitpur and Sambhalpur (1849), Baghat (1850), Udaipur (1852), Jhansi (1853) and Nagpur (1854); Fought 2nd Anglo-Sikh War (1848–49) and annexed the whole of the Punjab; 2nd Anglo-Burmese War (1852) and annexation of Lower Burma or Pegu; Annexation of Berar in 1853; Annexation of Avadh in 1856 on charges of maladministration.

**Lord Canning (1856–58):** The last Governor General and first Viceroy of India; Revolt of 1857; Passed the Act of 1858, which ended the rule of the East India Company. Withdrew Doctrine of Lapse. Mutiny took place in his time.

### Governer Generals and Viceroys (1858–1947)

**Lord Canning (1858–62):** The Indian Councils Act of 1862 was passed, which proved to be a landmark in the constitutional history of India; The Indian Penal Code of Criminal Procedure (1859) was passed; The Indian High Court Act (1861) was enacted; Income Tax was introduced for the first time in 1858; The Universities of Calcutta, Bombay and Madras founded in 1857.

**Lord Elgin I (1862–63):** Wahabi Movement (Pan-Islamic Movement).

**Sir John Lawrence (1864–69):** Telegraphic communication was opened with Europe; High Courts were established at Calcutta, Bombay and Madras in 1865; Expanded canal works and railways; Bhutan War (1865); Advocated State-managed railways; Created the Indian Forest Department and recognised the native Judicial service.

**Lord Mayo (1869–72):** Introduced financial decentralization in India, Established Rajkot College at Kathiwar and Mayo College at Ajmer for the princes; Organised the Statistical Survey of India, Established the Department of Agriculture & Commerce. He was the only Viceroy to be murdered in office by a Pathan convict in Andamans in 1872, Introduction of State Railways. For the first time in Indian history, a census was held in 1871.

**Lord Northbrook (1872–76):** Kuka Movement of Punjab took rebellious turn during his period.

**Lord Lytton (1876–80):** Most infamous Governor-General, pursued free trade and abolished duties on 29 British manufactured goods which accelerated drain of wealth of India; Arranged the Grand Darbar in Delhi (in 1877) when the country was suffering from a severe famine; Passed the Royal Title Act (1876) and Queen Victoria was declared as the Kaisar-i-Hind; Arms Act (1878) made mandatory for Indians to acquire license for arms; Passed the infamous Vernacular Press Act (1878); Proposed the plan of Statutory Civil Service in 1878-79 and lowered the maximum age limit from 21 to 19 years, the 2nd Afghan war proved a failure (Viceroy of reverse characters).

**Lord Ripon (1880–84):** Repeal of the Vernacular Press Act, 1882; The First Factory Act, 1881 to improve labour condition, Resolution of Local Self Government in 1882, Resolution on Land Revenue Policy; Appointed Hunter Commission (for education reforms) in 1882; The Ilbert Bill controversy erupted during his time (1883) enabled Indian district magistrates to try European criminals. But this was withdrawn later.

**Lord Dufferin (1884–88):** 3rd Burmese War (Annexation of Upper and Lower Burma) in 1885, Establishment of Indian National Congress in 1885.

**Lord Lansdowne (1888–94):** The second Factory Act of 1891; Categorization of Civil Services into **imperial, provincial and subordinate**; Indian Council Act of 1892 (introduced elections which was indirect); Appointment of the Durand Commission to define the line between British India and Afghanistan (1893).

**Lord Elgin II (1894–99):** The Munda uprising (Birsa Munda) of 1899, Convention delimiting the frontier between China and India was ratified, Great famine of 1896–97, Lyall Commission appointed after famine (1897), Assassination of two British officials-Rand & Amherst-by Chapekar Brothers in 1897.

**Lord Curzon (1899–1905):** Appointed a Police Commission in 1902 under Andrew Frazer; Set up the Universities Commission and accordingly the Indian Universities Act of 1904 was passed; Set up the Department of Commerce and Industry; Calcutta Corporation Act (1899); Passed the Indian Coinage and Paper Currency Act (in 1899) and put India on a gold standard; Partition of Bengal took place in 1905. | 29        | Crucifixion of Jesus Christ.                                                                                                                                                                                                                                                              |
| 43        | Roman conquest of Britain.                                                                                                                                                                                                                                                                |
| 570       | Birth of Prophet Muhammad at Mecca.                                                                                                                                                                                                                                                       |
| 622       | Migration of Muhammad from Mecca to Medina ("hijira"), Beginning of Hijira Era (Muhammadan calendar) on July 15.                                                                                                                                                                          |
| 800       | Charlemagne crowned Roman Emperor at St. Peter's.                                                                                                                                                                                                                                         |
| 871       | Accession of Alfred the Great to the throne of Britain.                                                                                                                                                                                                                                   |
| 901       | Death of King Alfred the Great.                                                                                                                                                                                                                                                           |
| 1066      | Battle of Hastings; Norman invasion of England. William the Conqueror, Duke of Normandy, defeated the English king Harold II at Hastings.                                                                                                                                                 |
| 1215      | Magna Carta or the Great Charter signed by King John II at Runnymede in England on June 15.                                                                                                                                                                                               |
| 1280      | Gunpowder invented by Roger Bacon.                                                                                                                                                                                                                                                        |
| 1338      | The Hundred Years War broke out; it lasted upto 1453.                                                                                                                                                                                                                                     |
| 1431      | Joan of Arc, a brave French peasant girl, obtained victory over the English at Orleans. She was burnt alive at the stakes.                                                                                                                                                                |
| 1443      | The Black death <i>i.e.</i> , plague broke out in England.                                                                                                                                                                                                                                |
| 1453      | The capture of Constantinople (the home of classical learning) by the Ottoman Turks compelled the Greek scholars to flee to Italy and other West European countries, where they spread the knowledge of Greek philosophy and literature. This was the beginning of Renaissance in Europe. |
| 1486      | Bartholomew Diaz rounded the cape of Good Hope.                                                                                                                                                                                                                                           |
| 1492      | Columbus sailed on his first expedition to the West Indies which later led to the discovery of America (the New World).                                                                                                                                                                   |
| 1498      | Vasco da Gama, a Portuguese, discovered the sea route to India via the Cape of Good Hope.                                                                                                                                                                                                 |
| 1517      | Beginning of reformation.                                                                                                                                                                                                                                                                 |
| 1529–36   | Reformation in England under Henry VIII.                                                                                                                                                                                                                                                  |
| 1564      | Birth of Shakespeare.                                                                                                                                                                                                                                                                     |
| 1571      | Battle of Lepanto; Turks defeated by the Christian League.                                                                                                                                                                                                                                |
| 1577      | Drake, the famous English Admiral; started his voyage round the world for the first time and plundered Spanish ships and ports in South America.                                                                                                                                          |
| 1588      | Admiral Drake defeated the Spanish 'Armada'; England became the 'Mistress of the Seas'.                                                                                                                                                                                                   |
| 1600      | Establishment of the British East India Company in India (31st December).                                                                                                                                                                                                                 |
| 1605      | Gunpowder plot in England to blow up the English parliament.                                                                                                                                                                                                                              |

|         |                                                                                                                                                                                                                             |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1616    | Shakespeare passes away.                                                                                                                                                                                                    |
| 1649    | Trial and execution of Charles I, beginning of Commonwealth.                                                                                                                                                                |
| 1649–60 | The Commonwealth and the Protectorate in England.                                                                                                                                                                           |
| 1660    | Restoration of monarchy in England.                                                                                                                                                                                         |
| 1665    | The great plague in London.                                                                                                                                                                                                 |
| 1679    | Habeas Corpus Act.                                                                                                                                                                                                          |

- Committee on computer audit
  - Committee on payment systems
  - Review group on the working of the local area bank scheme
  - Technical group on statistics of international trade in services
  - Working group for suggesting operational and prudential guidelines on STRIPS (Separately Traded Registered Interest and Principal of Securities)
  - Working group on electronic money
  - Working group on economic indicators
  - Information systems audit policy for the banking and financial sector
  - Working group on consolidated accounting and other quantitative methods to facilitate consolidated supervision
  - Expert committee to review the system of administered interest rates and other related issues
  - Inter-departmental group to study the rationalisation of current account facility with reserve bank of India
  - The Expert Committee on legal aspects of Bank frauds
  - The Standing Committee on international financial standards and codes standing committee on international financial standards and codes
  - Technical group on market integrity
  - Technical group on phasing out of non-banks from call/notice money market (March 2001)
  - Core group on voluntary disclosure norms for state governments
  - Task force to study the cooperative credit system and suggest measures for its strengthening
  - Internal group to review the guidelines related to commercial paper
  - High Power Committee on urban cooperative banks
  - Working group for setting up credit information bureau in India
  - Committee for redesigning of financial statements of non-banking financial companies
  - Working group on restructuring weak public sector banks
  - Working group for working out modalities on dissemination of information in electronic form
  - Committee on technology upgradation in the banking sector
  - Working group of EURO
  - New monetary aggregates
  - Committee on capital account convertibility

## General Science

### Metals and their Ores

| Metal          | Ores                                                                   |
|----------------|------------------------------------------------------------------------|
| Sodium (Na)    | Chile, Saltpetre Trona, Borax, Common salt                             |
| Aluminium (Al) | Bauxite, Corundum, Felspar, Cryolite, Alunite, Kaolin                  |
| Potassium (K)  | Nitre (Salt Peter), Carnalite                                          |
| Magnesium (Mg) | Magnesite, Dolomite, Epsom salt, Kieserite, Carnalite                  |
| Calcium (Ca)   | Dolomite, Calcite, Gypsum, Fluorospars, Asbestos                       |
| Strontium (Sr) | Strontianite, Silestine                                                |
| Copper (Cu)    | Cuprite, Copper glance, Copper pyrites                                 |
| Silver (Ag)    | Ruby Silver, Horn silver                                               |
| Gold (Au)      | Calaverite, Silvenite                                                  |
| Barium (Ba)    | Barytes                                                                |
| Zinc (Zc)      | Zinc Blende, Zincite, Calamine                                         |
| Mercury (Hg)   | Cinnabar                                                               |
| Tin (Sn)       | Casseterite                                                            |
| Lead (Pb)      | Galena                                                                 |
| Antimony (Sb)  | Stibenite                                                              |
| Cadmium (Cd)   | Greenocite                                                             |
| Bismuth (Bi)   | Bismuthite                                                             |
| Iron (Fe)      | Haemetite, Lemonite, Magnetite, Siderite, Iron pyrites, Copper pyrites |
| Cobalt (Co)    | Smelite                                                                |
| Nickel (Ni)    | Milarite                                                               |
| Magnese (Mn)   | Pyrolusite, Magneite                                                   |
| Uranium (U)    | Carnetite, Pitch blende                                                |

### Alloys & their uses

| Alloys        | Uses                                       |
|---------------|--------------------------------------------|
| Brass         | In making utensils                         |
| Bronze        | In making coins, bell and utensils         |
| German Silver | In making utensils                         |
| Rolled gold   | In making cheap ornaments                  |
| Gun metal     | In making gun, barrels, gears and bearings |
| Delta metal   | In making blades of aeroplane              |
| Munz metal    | In making coins                            |
| Dutch metal   | In making artificial ornaments             |
| Monel metal   | For base containing container              |
| Rose metal    | For making automatic fuse                  |
| Solder        | For soldering                              |
| Magnalium     | For frame of aeroplane                     |
| Duralumin     | For making utensils                        |
| Type metal    | In printing industry                       |
| Bell metal    | For casting bells, statues                 |

|                 |                                              |
|-----------------|----------------------------------------------|
| Stainless steel | For making utensils and surgical cutlery     |
| Nickel steel    | For making electrical wire, automobile parts |

## Organisations

### National Organisation

| Institute/Organisation/Board                                                  | Location                  |
|-------------------------------------------------------------------------------|---------------------------|
| National Centre of Organic Farming                                            | Ghaziabad                 |
| National Plant Protection Training Institute                                  | Hyderabad (1966)          |
| Directorate of Marketing & Inspection                                         | Faridabad                 |
| National Institute of Agricultural Marketing                                  | Jaipur (8 Aug., 1988)     |
| Small Farmers Agribusiness Consortium (SFAC)                                  | New Delhi (18 Jan., 1994) |
| Central Frozen Semen Production & Training Institute                          | Hessarghatta, Karnataka   |
| Random Sample Poultry Performance Testing Centre                              | Gurgaon                   |
| Central Sheep Breeding Farm                                                   | Hissar                    |
| National Institute of Animal Health                                           | Baghpat (UP)              |
| Indian Veterinary Research Institute                                          | Izatnagar                 |
| Disease Investigation Laboratory                                              | Pune                      |
| Institute of Animal Health & Veterinary Biologicals                           | Kolkata                   |
| Animal Health Institute                                                       | Jalandhar                 |
| Institute of Animal Health & Biologicals                                      | Bengaluru                 |
| Institute of Veterinary Biologicals                                           | Khanapara, Guwahati       |
| Central Institute of Fisheries, Nautical and Engineering Training             | Kochi                     |
| Integrated Fisheries Project                                                  | Kochi                     |
| Central Institute of Coastal Engineering for Fisheries                        | Bangalore                 |
| Vivekananda Parvathiya Krishi Anusandhan Shala                                | Almora                    |
| Central Agriculture Research Institute                                        | Port Blair                |
| Central Agricultural University                                               | Imphal                    |
| Export Inspection Council                                                     | New Delhi                 |
| Indian Institute of Foreign Trade                                             | New Delhi                 |
| Indian Institute of Packaging (IIP)                                           | Mumbai                    |
| Marine Products Export Development Authority                                  | Kochi (20 April 1972)     |
| Agricultural and Processed Food Products Export Development Authority (APEDA) | New Delhi, (1986)         |
| Federation of Indian Export Organisation (FIEO)                               | New Delhi                 |
| Indian Council of Arbitration (ICA)                                           | New Delhi                 |
| Indian Diamond Institute                                                      | Surat, (1978)             |
| Postal Staff College                                                          | Ghaziabad                 |
| Advanced Level Telecom Centre (ALTTC)                                         | Ghaziabad, (1975)         |
| Bharat Ratna Bhim Rao Ambedkar Institute of Telecom Training (BRBRAITT)       | Jabalpur                  |
| National Academy of Telecom Finance and Management (NATFM)                    | Hyderabad                 |
| Telecommunication Engineering Centre (TEC)                                    | New Delhi                 |
| Satyajit Ray Film & Television Institute                                      | Kolkata                   |

### Seven Wonders of the Medieval World

1. Great Wall of China
2. Porcelain Tower of Nanjing (China)
3. Colosseum of Rome (Italy)
4. Stonehenge of England
5. Leaning Tower of Pisa (Italy)
6. Catacombs of Alexandria
7. Mosque at St. Sophia (Constantinople)

### Other Wonders of the World

1. The Sphinx, near Gizeh (Ghiza) in Egypt
2. The Catacombs at Rome
3. The Circus Maximus at Rome
4. The Taj Mahal at Agra (India)
5. Angkorvat Temple in Combodia
6. The Alhambra at Granada in S. Spain
7. Shew Dragon Pagoda or the Golden Pagoda at Yangon in Myanmar

### **New Seven Wonders of the World**

(As declared on July 7, 2007 by New Seven Wonders Foundation of Switzerland, at a grand ceremony organised in 'Stadia da Lutz, Benefica Stadium in Lisbon (Portugal)).

1. The Taj Mahal, Agra, India
2. The Great Wall of China, China
3. The Pink Ruins of Petra, Jordan
4. The Statue of Christ the Redeemer, Brazil
5. Incan Ruins of Machu Pichu, Peru
6. The Ancient Mayan City of Chichen Itza, Mexico
7. The Colosseum of Rome, Italy

### **MAN BOOKER PRIZE**

Instituted in 1968, it is the highest literary award set up by the Booker Company and the British Publishers Association along the lines of the Pulitzer Prize of USA, worth £20,000 (1992). The Booker Prize has only been shared in 1974 and 1992. Since 2002, it has been known as the 'Man Booker Prize', reflecting the sponsorship by an investment company, the Man Group plc. The winner receives £50,000 and both the winner and the shortlisted authors are guaranteed a world wide readership plus a dramatic increase in book sales.

### **TEMPLETON AWARD**

Instituted in 1972. This award is conferred by the Templeton Foundation for progress in religion. It was inaugurated in 1972 by John M. Templeton, a Presbyterian of Nassau Bahamas. The prize is a sum in amount of 795,000 Sterling, more than \$1.4 million, and it is the world's largest annual monetary prize given to an individual.

### **UNESCO'S ASIA-PACIFIC HERITAGE AWARD**

UNESCO's Asia-Pacific Heritage Awards for Culture Heritage Conservation recognise the efforts and contributions of individuals and organisations within the private sector, including private-public partnerships, who have successfully restored and conserved structures and buildings of heritage value in the Asia-Pacific region.

### **DRONACHARYA AWARD**

| Field         | Sports (for coaches) |
|---------------|----------------------|
| Instituted in | : 1985               |
| Cash value    | : Rs. 3 lakh         |

The award was named after Dronacharya—the legendary guru of the epic age of Mahabharat, who taught archery and sports to Kauravas and Pandavas.

The award comprises of a cheque, a plaque, a blazer and a citation. Up to 1986, the cash value of the award was Rs.25,000.

## CHAMELI DEVI AWARD

Endowed by Ms. Laxmi Jain in the memory of her mother, Chameli Devi Jain, the award goes to a woman journalist on the basis of excellence in terms of writing style, content as well as social concerns.

### Books and Authors FAMOUS BOOKS/PLAYS

| Book                               | Author                   |
